- ▶ Many of the Fund's holdings performed well including Orica and Virgin Money UK, which both announced positive results during November while The Lottery Corporation performed well thanks to a series of large jackpots helping lottery sales.
- ▶ Companies which underperformed over the month include NAB and IAG, we remain positive about their long-term prospects.
- ▶ Markets were up strongly in November despite many uncertainties. We continue to position the Fund in well-established, profitable companies with strong market positions while looking for opportunities to buy further high-quality companies.
