NOTES

1. Monthly return is an actual return net of all fees, costs and taxes generated by dividing the redemption unit price by the previous month's redemption unit price. Past performance is not a reliable indicator of future performance.
2. Portfolio Composition is net of hedges
3. Assumes reinvestment of all distributions
4. Distributions are not guaranteed
5. Management fees are calculated as a percentage of the Fund's weighted average Net Asset Value (NAV). Please consult the Product Disclosure Statement (PDS) for a full explanation of fees and costs
6. Performance Fee is subject to a High Watermark. Please consult the PDS for a full explanation of fees and costs
7. Buy/Sell spreads may change depending on the liquidity of the assets within the fund at the time of entry or exit
8. The redemption price is calculated by decreasing the NAV price by the sell spread (currently 0.25%). The NAV price is the NAV divided by the Units on issue.
9. Excludes Cash Exposure. Approximately 62.5% of the assets in the Fund are issued an internal rating by the Internal Ratings Committee. Alexander Funds' Internal Ratings Committee Chair is an employee of Eticore Pty Ltd and may from time to time be engaged as a trustee for private assets as part of their obligations under this role. If the Fund invests in any assets where this is the case, the Internal Ratings Committee Chair is unable to opine or vote on any ratings decision regarding these assets.
